**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Companies like Sonic Fiber is what has allowed me to cut the cord with cable monopolies like Comcast and get better faster service with much less cost. It's been so successfull in my area that many neighbors and friends are opting for the chance to get away from the big bad cable companies to ones like Sonic that provide a better and more competitive alternative.

I support broadband competition and ask my government elected officials to do the same.

Regards,
